BY FAR **THE TOUGHEST TRACK** IN THE FIELD

Soucy is proud to introduce ***AceTrack***™, the most durable track on the market. Based on our unique design and technology, the ***AceTrack***™ is an unprecedented breakthrough in the farming world. Allowing time and money savings as well as overall increased performance, our tracks beat the heat, in real conditions.

READY
TO BEAT
THE HEAT

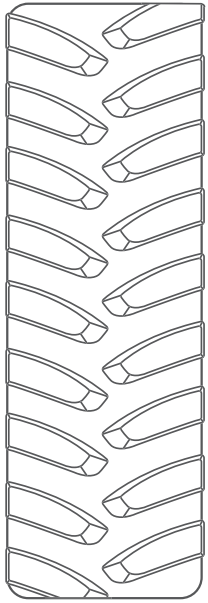

LIFETIME TREAD **BLOWOUT FREE** WARRANTY

AceTrack™ durability is second to none. Through extensive testing, not a single track ever blew out a tread bar, thanks to our reduced heat generation proprietary technology. This allows us to offer a lifetime tread blowout free warranty.

TESTING
PERFORMANCE

NARROWER TRACKS **WIDE PERFORMANCE**

AceTrack™ offers narrower 18-inch tracks, allowing you to minimize crop damage, generate more returns from your fields and improve agronomic performance.

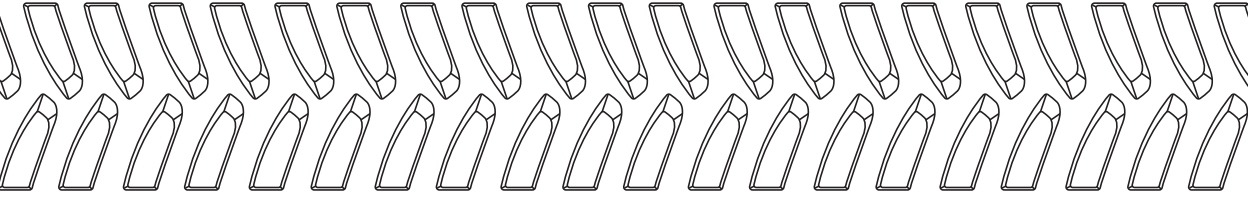

It will match durability and performances usually attained by larger tracks.

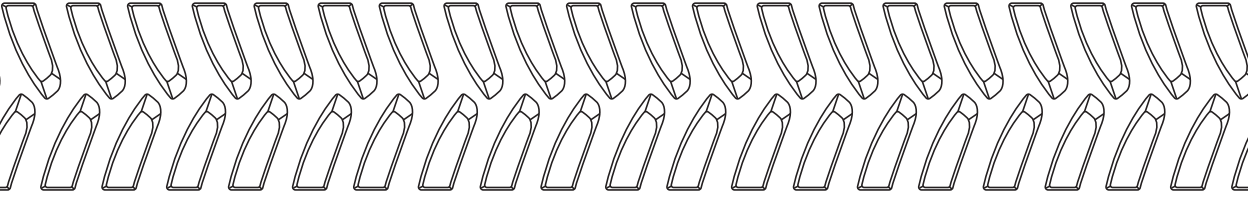

BETTER TRACTION
LESS FUEL CONSUMPTION

AceTrack™ has been created to reduce slipping through high-profile tread bars, thus generating significant fuel savings per vehicle.

WE LAST

LONGER

With significantly larger tread size, ***AceTrack***™ is up to 40% more durable than the competition.

CASE IH
370

LESS VIBRATION
MORE COMFORT IN ACTION

AceTrack™ is designed with larger tread bars and a perfect balance of rubber rigidity and wear resistance, thus reducing annoying vibrations for the operator.

TESTED ON REAL VEHICLES
IN REAL CONDITIONS
BY REAL FARMERS

REAL
RECOGNIZES REAL

One of our many tester clients, Travis Meacham from Friehe Farms, cultivates and grows the highest quality produce while sustainably building soil health and improving crop yield. All of this while using ***AceTrack***™ everyday.

TRAVIS MEACHAM
FRIEHE FARMS MANAGER
MOSES LAKE, WA

"WE HAVE CONFIDENCE THAT THE TRACK IS GOING TO LAST AND THAT THE **COMPANY STANDS BEHIND US.** THAT MEANS A LOT TO ME AS A GROWER."

GET TO YOUR **HOMESTEAD EARLIER**

AceTrack™ allows increased roading speed to 25 mph, which means better productivity and more time spent with your loved ones.

UP TO 25 MPH

SOUCY

KNOW-HOW
MEETS QUALITY

MADE OF **PRIDE** AND **DEDICATION**

LIFETIME TREAD **BLOWOUT FREE** WARRANTY* STATEMENT

Since 1967, Soucy stands behind farmers, in every row, every field, when they are planting, harvesting and getting the job done in any conditions.

Our know-how runs generations deep and our tracks are made with the conviction that the hardest work deserves the most reliable gear. That's why we are proud to offer a lifetime tread blowout free warranty for ***AceTrack***™, by far the toughest track in the field.

As an unprecedented breakthrough in the farming world, ***AceTrack***™ has been tested through strict engineering processes. This assures maximum performance and optimal durability for those who grow crops every day, from dawn till dusk, all across North America.

We stand behind them, and we stand behind you. Because we're alike: hard workers whose craft is made of pride and dedication.

READY TO **BEAT THE HEAT**

Soucy is proud to introduce the new

ACE TRACK™

UNIQUE **REDUCED HEAT GENERATION** PROPRIETARY TECHNOLOGY

ENHANCED SUSTAINABILITY
- Larger tread size
- 40% more durable than the competition

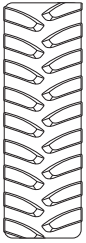

NARROWER 18-INCH TRACKS
- Minimized crop damage
- Superior agronomic performance

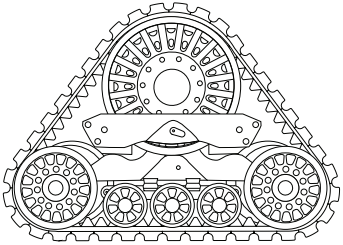

REDUCED OPERATING COST PER HOUR
- Reduced slipping / Better traction
- Improved fuel efficiency

MORE COMFORT IN ACTION
- Reduced vibrations for the operator
- Larger tread bars
- Increased wear resistance

INCREASED ROADING SPEED
- Up to 25 mph on the road

DIMENSIONS
- Carcass thickness: 1.4 in.
- Tread bar height: 2.25 in.
- Track length: 265 in.
- Track width: 18 in.
